EMPLOYMENT

[Indsigtdesign](#)

2017 - Present

Founder & Interaction designer

Designit (Munich)

2016 - 2017

Technology Designer

Copenhagen Institute of interaction design

2015 - 2016

Technologist in residence

Proactive and solution-oriented M.A in design with five years of experience in design, agile development and maintaining online platforms. I am passionate about solving problems, prototyping and bringing ideas to life. I use research & data to design meaningful communication & interactions between human beings and technology.

I am currently running a small design studio called [indsigt.design](#) where we have designed and built multiple online platforms, mobile apps & IoT prototypes. In parallel, I was also part of the faculty at Copenhagen Institute of Interaction Design (CIID), as resident designer & mentor. Recently I went to San José in Costa Rica to help setting up CIIDs new presences there.

SKILLS

DESIGN SKILLS:

Sketching
Design research
Print & digital design
Adobe CC
Sketch & Figma
Prototyping
CAD
Electronics
Digital fabrication
Front & back-end dev

SOFT SKILLS:

Managing ambiguity
Self-motivated learner
Critical thinker
Problem solver
Persistent
Active listener

LIFE SKILLS:

Building bikes
Riding bikes
Baking Pizza
Flying FPV drones
Automating my home
Teaching

EDUCATION

Kolding school of design

Master's degree, Interaction design

2013-2015

Copenhagen institute of interaction design

Master's degree, Interaction design

2014

Kolding school of design

Bachelor's degree, Communication design

2010-2013

AWARDS

[The Ethical Stack](#)
